

CDataSet_setDataColor

DataSet::setDataColor

```
graph LR; A[DataSet::setDataColor] --> B[CDataSet_setDataColor]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'CDataSet_setDataColor'. The box on the right is white and contains the text 'DataSet::setDataColor'. A dark blue arrow points from the right side of the white box to the left side of the gray box, indicating a call or relationship from the white box to the gray box.
