

DS8library::DS8Functions
::CloseDS8

main

```
graph LR; main[main] --> DS8library[DS8library::DS8Functions::CloseDS8];
```

A diagram illustrating a function call. A box on the right labeled 'main' has a blue arrow pointing to a larger box on the left. The left box is shaded gray and contains the text 'DS8library::DS8Functions' and '::CloseDS8' on two lines.
