

src/MouseInterface.cpp

```
graph TD; A[src/MouseInterface.cpp] --> B[include/MouseInterface.h]; A --> C[../include/moc_MouseInterface.cpp];
```

The diagram illustrates the dependencies of the file `src/MouseInterface.cpp`. It is represented by a grey rectangular box at the top. Two blue arrows originate from the bottom of this box and point downwards to two other boxes. The left box, labeled `include/MouseInterface.h`, is white with a thin grey border. The right box, labeled `../include/moc_MouseInterface.cpp`, is also white with a thin grey border. The arrows indicate that `src/MouseInterface.cpp` depends on both of these files.

include/MouseInterface.h

../include/moc\_MouseInterface.cpp
