

TreeMapChart::getLevelPrototype

```
graph LR; A[TreeMapChart::getLevelPrototype] --> B[CTreeMapChart_getLevelPrototype]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text 'TreeMapChart::getLevelPrototype'. The right box has a white fill and a black border, containing the text 'CTreeMapChart_getLevelPrototype'. A dark blue arrow points from the right side of the left box to the left side of the right box.
